To Parents / Guardians / Volunteers;

We at Namao School value our volunteers who come to assist with the school in a variety of ways. Sturgeon School Division now will require that all volunteers involved with students have a criminal record check on file with the school.

Volunteers must go to their local police detachment to obtain a criminal record check. If you take the attached letter from the school the fee will be waived as you are volunteering at a school. Once an individual has the criminal record check on file with the school and you continue to volunteer this will suffice until you leave our school. Thank you for obtaining these criminal record checks prior to volunteering with our school.

Sincerely,

Mr. P. Harnish
Principal
Namao School
